- Ref:- 1. F. No. NAHEP/IDP-07/Sanction/2018, Dated: 13.06.2018 of the National Director, NAHEP
2. Note file C.No. 15137/IDP-Agril.Sci/NT-students/2018 approved by Hon'ble Vice Chancellor

It is to inform that permission was accorded to send final year students to the National trainings for the financial year, 2018-19 (Ref 2). Accordingly, correspondence was made with many National Institutes and some have agreed to offer trainings to the students within the budget allocation before March 2019 and some after March 2019 i.e., in the months of May, June and July 2019.

Under these circumstances, the final year students shall be considered for the programmes to be organized before March 2019 but for those programmes to be organized after March 2019, the final year students shall not be considered as their degree programme will be completed by that time. Moreover, they will be busy in writing ICAR and other Universities admission tests and also in seeking employment.

Hence, the Associate Deans are instructed to act accordingly and motivate both current III year and final year students to apply for nomination for National training.
