If a student registers for seminar during a particular semester but abstains, it shall be treated as shortage of attendance (such credit should be re-registered) (Acad. Council Resln. No. 1848, dt.21-10-97 and Proc. No. 157/PG/98, dt.20-1-98).
8.6 Minimum & Maximum Time Limit to Complete the Course/Thesis: The minimum residential requirements and the maximum time limit for completing the PG programme (from the date of admission) shall be as follows:

<table>
<thead>
<tr>
<th>Course</th>
<th>Minimum residential requirement</th>
<th>Maximum time</th>
</tr>
</thead>
<tbody>
<tr>
<td>M.Sc. Level</td>
<td>4 semesters</td>
<td>4 years</td>
</tr>
<tr>
<td>Ph.D Level</td>
<td>6 semesters</td>
<td>6 years</td>
</tr>
</tbody>
</table>

If a PG student fails to complete the graduation requirements within the maximum time limit prescribed (*4 years for M.Sc. level course and *6 years for Ph.D course), his/her admission shall stand cancelled (Note: *Applicable to students admitted from 1989-90 onwards). A PG student may submit thesis after securing 75% attendance in the final semester of study provided that research credits only are registered during that semester and that all the courses prescribed for the award of degree are successfully completed by previous semester.

The PG students should be on the rolls of the University duly paying the fee till the time of thesis submission. The PG students who fail to submit thesis after completing the residential requirement and research work, shall pay the 'Registration Fee' and 'Late Fee for Thesis' and register for 'thesis writing' without any credits during subsequent semester. The student may submit thesis as soon as it is ready without waiting for completion of 75% attendance (Acad. Council Resln. No.2306, dt.5.9.2006 & Proc. No.2128/PG/2006, dt.24.11.2006)

All the Ph.D candidates who seek extension of time beyond the maximum time limit should register for thesis completion and pay the fees. If they are employed, they should apply leave, complete the work and submit thesis as full time students. Registration shall be permitted only if they produce relief/leave sanction certificate from the employer. **Guidelines to Start New PG Programmes**

- The proposal to start a new PG course shall be sent by the concerned Head of the Department through the Associate Dean to the University in the prescribed proforma.

- After approval of Academic Council, the proposal for starting new PG programme shall be placed before the Finance committee (if financial commitment is involved) and the Board of Management for approval.
- If the Academic Council / Board of Management approves the starting of new PG programme with additional staff and huge amount of funds, the programme shall be started only after obtaining the sanction of state Government.
- If posts are to be redeployed, such posts need to be identified by the concerned Deans / Directors and Academic / Services sections. New programmes involving new posts may be started after filling up of at least 50% of the posts.
- The teacher identified / redeployed to run the programme shall prepare the syllabus / courses and do the needful for creating infrastructure facilities like laboratories, etc.
- If new posts and large amounts of funds are required, the proposal / request shall be sent to the Government / Funding agencies.
- If the Academic Council approves the starting of the new PG programme without any additional staff and budget, the programme can be started immediately if it is extension of an existing programme to a new campus.
In case of new programmes, the syllabus shall be referred to outside experts (2-3) and after incorporation of suggestions of the experts, the courses / syllabus shall be placed before the PG Faculty and Academic Council. If the programme has to be started with additional staff and infrastructure facilities, the syllabus shall be put up to Board of Faculty for PG studies after the required sanctions are received.

The proposals / issues pertaining new PG courses / Syllabus are referred to experts from outside Universities and hence require about 4 months time. Hence such proposals may be submitted to the Dean PG studies well in advance as an when visualised, even if the date of PG faculty meeting is not known.

Guidelines to Prevent Unethical Practices in Publication on Articles, etc.

(Vide Memo. No. 13673/PG/2002, dt. 2-8-2002)

Representations are being received reporting that certain teachers are indulging in unethical practices by unauthorisedly circulating the articles/manuals etc. prepared by the faculty. Instances have also come to the notice of the University, that some teachers are changing the order of priority in the authorship of research publications. In order to prevent such practices the following guidelines are issued for strict adherence by all the concerned, while preparing the research articles, etc. for publication or their subsequent use.

1. For all the research papers prepared on the basis of student research, the authorship should be in the order of Student, Chairperson, Co-Chairperson and Members of Advisory Committee who have put in considerable efforts in the research work.

2. In respect of papers prepared on the basis of student research work conducted at research stations, the authorship may be in the order of the quantum of contribution made by each research worker.

3. The first author should certify that due weightage was given to all those who contributed for the research work and also clearly indicate the source of material for the research article/publication i.e student research/scheme work etc. and the period of conduct of such research work. If any part / whole of the article / paper / manual of others is used by the students / staff, acknowledgement should invariably be made with regard to its original author to give a kind of gratification to him/her.

4. All the research papers (along with one extra copy) should be routed through the Head of the Department / Research Station / Scheme where the work was carried out. The Heads of Research Stations/Departments shall maintain a record of all extra copies so received. The Heads of the Departments / Research Stations shall forward the articles to the concerned authorities, after recording the
following details in a “Register of Publications” which shall be shown to the superior officers during their visit / office inspection.

1. Date of Despatch  
2. Title of the article / Bulletin.  
3. Names of Authors  
4. Source of material for publication

All the concerned teachers/students are requested to strictly adhere to the above instructions.
